Global grants

Global grants support large international activities with sustainable, measurable outcomes in Rotary's areas of focus. By working together to respond to real community needs, clubs and districts strengthen their global partnerships.

Read [A Guide to Global Grants](#) for detailed information on planning your project, applying for a grant to fund it, carrying it out, and reporting on your progress and outcome.

What global grants support

Global grants can fund:

- Humanitarian projects
- Scholarships for graduate-level academic studies
- Vocational training teams, which are groups of professionals who travel abroad either to teach local professionals about their field or to learn more about it themselves

How they're funded

Experts needed to help with global grants

If you're a subject matter expert or have experience planning successful, sustainable humanitarian activities, please contact your [district international service chair](#) or [district governor](#). Your expertise could help a club or district make a positive difference using a global grant.

The page content includes a paragraph about contacting the district international service chair, followed by two sections: "Resources & reference" and "Areas of Focus resources", each containing a list of links to various documents and guides. The browser's menu bar and a dock with various application icons are also visible.

Contact your district international service chair for help connecting with the district resource network: local subject matter and project experts. If your district hasn't appointed a committee chair, work with your district governor or write to rotary.service@rotary.org.
